

PVTC ANNUAL DINNER 2017

Our speaker will be **Giselle Chazotte Smisko** of the **Avian Wildlife Center**. Her topic will be "**Birds of Prey**" an introduction to the world of raptors highlighting the owls and hawks found in eastern North America. The talk will encompass how to find and identify the various species, revealing details about their lives, and discussing their role in nature. The presentation will be illustrated with slides taken by the speaker while researching and caring for these incredible birds.
