

PVTC ANNUAL DINNER 2018

Our speaker will be long time PVTC member **Bob Mohowski**. His topic will be "AMTRAK, WHEN WHERE AND HOW". For those who have wondered what destinations Amtrak serves, what accommodations are available on their trains and how to make travel arrangements, Bob Mohowski will provide answers. The program will visually present images of sleeping cars as well as a variety of enroute scenes. Bob and his wife Pat have frequently used all of Amtrak's transcontinental routes with one exception. As a rail enthusiast and historian, he brings a historical perspective and curiosity to his travels. He has written numerous articles on rail subjects and had the good fortune to have enjoyed the friendship of John Treen and Harold Fredericks. Although he now lives in New York State, he still makes occasional visits to northern New Jersey's rail trails and ranks the PVT among his favorites.
